

National Forensic Sciences University
School of Cyber Security and Digital Forensics,
Gandhinagar Campus, India

Inaugural Issue of
NFSU Journal of Cyber Security and Digital Forensics

Research Objective

The NFSU Journal of Cyber Security and Digital Forensics proposes to invite high-quality and original articles, case studies, commentaries, and book reviews. The research paper opportunity is open to cyber security and digital forensics students, researchers, and academicians. Authors may contribute articles on any of the following themes or topics related to the broad area of Cyber Security and Digital Forensics as follows:

- Cyber Autonomy and Automation
- Secure Source Code Review
- Secure Coding
- Malware Analysis
- Computer Forensics
- Memory Forensics
- Mobile Forensics
- IoT Security and Forensics
- ICS / SCADA Security and Forensics
- Embedded System Security and Forensics
- Drone Forensics
- Deep and Dark Web Forensics
- Blockchain Security
- Digital Currency Forensics

About the Journal

The NFSU Journal of Cyber Security and Digital Forensics is the flagship journal of the School of Cyber Security and Digital Forensics (National Forensic Sciences University- An Institution of National Importance, Ministry of Home Affairs, Government of India) Gandhinagar, India. This double-blind, peer-reviewed, international journal promotes interdisciplinary studies in the field of Cyber Security and Digital Forensics. The journal is proposed to be published bi-annually.

Submission Guidelines:

1. Articles: 6000-8000 words excluding footnotes and endnotes
2. Notes/Comments: 3000-4000 words
3. Book Reviews: 1500-2500 words
4. The articles should include an abstract 200-250 words
5. Authorship: All contributors who have made a substantial contribution to the submission should be listed as authors/co-authors.
6. Co-authorship: Maximum two co-authors per submission
7. Reference Style Formatting: Times New Roman font, 12; 1.5 line spacing.
8. Footnotes should be in Times New Roman, font size 10.
